

PROJECT DISCUSSION MEETINGS

- PLEASE READ -

These in-person meetings are typically scheduled for projects that require a limited group of review staff which allows for a more focused meeting, **PRIOR** to submission of plans for review.

Project Discussion Meetings (PDM) are available on **Monday and Thursday afternoons** and will be arranged **as schedules allow**.

To Request a Project Discussion Meeting:

Fill out the application completely and email it to InspectionsMeeting@knoxvilletn.gov A complete application must include and will not be scheduled without the following:

- **A specific list of questions to be answered at the meeting.** *Please provide your list of specific questions related to this project on a separate document if you require more space than the request form allows.*
- **Detailed concept drawings, site plans, project details, etc. for review and discussion. Limit documentation to items directly pertaining to your meeting request.** *Be sure your submissions are current when you submit them as any design/site plan changes received within a week of your meeting will result in your meeting being rescheduled to the next available meeting. This will allow our staff appropriate time to review the new plans.*

Important information, please read **PRIOR** to submitting your request:

- It is **inappropriate** to request a Project Discussion Meeting for projects **currently under review**.
- **Incomplete applications and those without supporting documentation**, will be! returned and *will not be scheduled until the documentation is submitted. Please submit all documentation at once as one packet, do not send separately as it will be returned for resubmission.*
- **All correspondence will be sent to the person listed as Project Contact.** The Project Contact is responsible for ensuring the invite is forwarded to others on their team.
- **Your application will be reviewed prior to scheduling.** If a meeting is deemed appropriate, you will be contacted by a member of our staff.
- **Meetings are in-person.** The principal applicant/project manager will need to attend in-person. Ancillary personnel are welcome to attend either in-person or via Zoom. If a Zoom option is required for ancillary staff please advise us when you submit your request.
- Please be advised that meetings will be recorded; however, applicants are responsible for taking minutes/notes at the meeting.

PROJECT DISCUSSION MEETING (PDM) REQUEST

*Please read instructions prior to submitting as incomplete and/or illegible applications will be returned for resubmission.
It is inappropriate to request a Project Discussion Meeting Request for a project currently in review.*
